!Wildcat Pride!

Congratulations girls on an amazing season! & a breath taking senior night that ended with a BANG! With a triple over time!!

Congratulations boys on a fantastic season! & an amazing senior night! You guys made your mark this year!!

!Shine a Light!

Lets shine a light on our wildcat students that participated at the Boys & Girls Club for the Teen Violence Dating Mock Trial!! They were able to be the jury, prosector, defense attorney, the victim and the aggressor. Good Job Wildcats!!!

Let's Shine a bright light on Mr. Benitez for helping Alcott be one of 23 cps schools to receive a Computer Science Female Diversity Award!!

Nearly two dozen Chicago Public Schools (CPS) high schools earned the 2023 College Board AP[®] Computer Science Female Diversity Award for achieving high female representation in Advanced Placement computer science courses. The 2022-23 School Year also marked the fourth consecutive year that female and non-binary students comprised the majority of AP Computer Science Principles exam takers throughout the District. Schools honored with the AP Computer Science Female Diversity Award maximized their commitment to computer science education by expanding girls' access to AP computer science courses, specifically in AP Computer Science A (CSA) and AP Computer Science Principles (CSP).
